- **\*\*Stakeholder Engagement & Relationship Building\*\*:** Forging strong alliances with clients, partners, and community leaders.

## Professional Experience

*Founder & Principal*

LEGACY GROVE CODEX LLC, New York, NY

2024–Present

- Established, launched, and rapidly scaled a cutting-edge multidisciplinary consulting firm, seamlessly integrating advanced legal advisories, robust financial modeling, innovative design solutions, and state-of-the-art technological platforms to serve a diverse client base.
- Spearheaded and successfully executed flagship property acquisition modeling initiatives within the highly competitive Manhattan real estate market, meticulously prioritizing family-first safety protocols, long-term asset appreciation, and comprehensive legacy planning strategies.
- Conceived, developed, and deployed groundbreaking modular build strategies alongside proprietary freelance platforms, which collectively expanded market presence by 40% within the first six months and significantly amplified operational reach across national territories.
- Directed and managed intricate branding initiatives, including the conceptualization and development of unique symbolic crests and exhaustive historical name

analysis, strategically solidifying the corporate identity, enhancing market recall, and optimizing strategic market positioning.

#### *Culinary & Hospitality Leadership*

Multiple Locations (NYC, Las Vegas, San Francisco)

2016–2023

- Oversaw and managed high-volume food and beverage operations across multiple prestigious venues, meticulously designing and implementing comprehensive training programs for over 20 team members in stringent safety protocols, advanced culinary techniques, and precision service delivery, resulting in a 15% improvement in operational efficiency.
- Achieved consistently exceptional client engagement metrics and flawlessly executed over 75 successful large-scale corporate and private events, significantly enhancing the organization's reputation for unparalleled quality, bespoke service, and superior customer care.
- Strategically transitioned accumulated operational expertise into broader organizational leadership roles, developing and implementing innovative customer-centric strategic planning initiatives that led to a measurable 20% increase in overall guest satisfaction scores and repeat business.

#### *Logistics & Operations Management*

CA/NV/NY (Regional Lead)

2013–2023

- Directed, optimized, and streamlined complex dispatch, delivery, and dock operations across multi-state regions, consistently achieving 100% compliance with industry regulations and maximizing operational efficiency by 25% through advanced route optimization and workflow re-engineering.
- Pioneered the integration and full leverage of advanced GPS tracking systems and proprietary logistical software, dramatically optimizing customer service response times by 30% and facilitating seamless, real-time communication across all operational tiers.
- Recruited, supervised, and mentored diverse teams of over 30 personnel, instilling a culture of safety and precision while enforcing stringent safety regulations, thereby

demonstrating highly scalable leadership capabilities and comprehensive oversight across dynamic operational environments.

#### *Legal & Administrative Support*

NY (Senior Paralegal & Law Clerk)

2005–2014

- Provided exhaustive and comprehensive paralegal and senior law clerk services across multiple highly-regarded law firms and extensive legal libraries, directly supporting senior partners and attorneys on over 150 complex legal cases.
- Authored, drafted, and meticulously reviewed precise legal documents including pleadings, motions, and briefs, conducted thorough case research utilizing advanced legal databases, and provided critical, strategic support for over 70 successful trial preparations and courtroom proceedings.
- Cultivated a deep, foundational understanding of intricate compliance protocols, corporate governance structures, and the rigorous principles of structured decision-making processes within the multifaceted legal framework, contributing directly to favorable legal outcomes.

#### **Additional Experience & Community Engagement**

- **\*\*Suicide Prevention Assistant\*\***, PACE Psychiatric Assessment Unit – Applied exceptional empathy, critical listening skills, and advanced risk assessment techniques in high-stakes, sensitive environments, directly contributing to patient safety and well-being.
- **\*\*Editor in Chief\*\***, NYC College of Technology – Led and directed comprehensive editorial production cycles for college publications, overseeing content generation, rigorous fact-checking processes, and timely publication oversight, enhancing the institution's academic voice.
- **\*\*Auditor\*\***, North Shore Bottling Company – Proactively identified inefficiencies and strengthened operational processes through diligent audit functions and meticulous compliance review, contributing to enhanced fiscal integrity and procedural adherence.
- **\*\*Horticulture Worker\*\***, Urban Farming Initiatives – Managed and maintained complex agricultural operations, demonstrating adaptability, meticulous attention to detail, and a strong sense of environmental stewardship and community contribution.

- \*\*Volunteer Mentor\*\*, Youth Empowerment Programs – Provided guidance and support to at-risk youth, fostering leadership skills and positive community engagement.

## Education & Certifications

- \*\*Associate's in Business Administration (Cum Laude)\*\* – Tidewater Community College, Virginia Beach, VA (2005)
- \*\*Food Handler's Certification\*\* – NYC Department of Health and Mental Hygiene (Current)
- \*\*Specialized Culinary Training\*\*: Advanced Knife Skills, Efficient Station Setup & Flow Management, Masterful Event Plating & Presentation (Institute of Culinary Education)
- \*\*Valid Nevada Driver's License\*\* (Active)
- \*\*Project Management Professional (PMP) Coursework Completed\*\* (Expected Certification 2025)

## Leadership Philosophy

*"Every decision is a legacy. Every structure, brand, and team is meticulously built with intention, imbued with unwavering resilience, and designed to propel purposeful, sustainable evolution. My leadership is rooted in foresight, ethical stewardship, and the profound impact of collective ingenuity."*
